Global First Nations Caucus – Human Rights Conference
Tuesday 28 February 2023 2.30pm – 4.00pm Mudjin Nura - First Nations only space Marri Madung Butbut – First Nations Gathering Space

BlaQ Aboriginal Corporation had the pleasure of facilitating the First Nations Caucus for the Sydney World Pride Human Rights Conference.

There were 7 people in attendance over the course of the Caucus, majority of the attendees came from the previous First Nations Caucus.

Because of the low numbers in attendance and the lack of Global input and most of the people applying their knowledge to the previous caucus, the Caucus attendees didn't feel it was right to make recommendations and provide feedback except the below action.

ACTION:

There was a notable lack of attendance in the cross cultural and global First Nations caucus. A contributing factor to this was identified as the failure of engagement and advertising of caucus material and sessions, concurrent caucuses and activities being activated and a lack of transport options to the separated caucus venues. If a pre-conference like this occurs again, there needs to be significant improvements made in communication, promotion and engagement to ensure that the same mistake do not reoccur.
